Comments

Further to a re-consultation received in respect of the above I have reviewed the above application again and on behalf of the Private Sector Housing and Environmental Health (PSH & EH) Team can confirm that I would have NO OBJECTIONS to the proposed development as per my comments originally submitted on 4 October 2023.

This re-consultation appears to be as a result of amended drawings for the layout, location, site and block plans having been submitted - there are noted but don't have any material impact on my original comments, I therefore don't have any further comments to make at this time.

Kindest regards,

Dom
