

Appendix 4: Home Energy Questionnaire

Greater Cambridge Shared Planning Service Home Energy Questionnaire

This form should be completed for any planning application involving works to an existing home in Cambridge, in line with the requirements of policy 30 of the Cambridge Local Plan 2018. This policy aims to promote the application of energy efficiency to existing homes as part of wider works to extend properties, taking advantage of the opportunities that such works present to make your home warmer and helping to reduce your energy bills. You'll also be helping the environment by reducing greenhouse gas emissions. The information in this questionnaire will be used by officers in the planning service to ensure that, where applicable, you are able to meet the requirements of the policy, delivery of which would be secured by a planning condition. If you have a recently completed Energy Performance Certificate, you can submit this along with the questionnaire to indicate the recommended measure you are planning to implement as part of the works.
