I write to notify you of the above request for a screening opinion regarding proposed development.

The request letter and plans can be viewed on the Council's web page. Would you please notify me within **14 days** of any observations you have regarding this proposal, including any views on whether you would consider that it is likely to have a significant effect on the environment, with reference to the relevant regulations, and therefore requires an Environmental Impact Assessment and that an Environmental Statement be submitted with any future planning application. **If possible please email comments, with a word document attached, to planning@braintree.gov.uk.**

The regulations require that the Council produce a screening opinion with 21 days of the request being received. As a result it is unlikely that any further time can be given for considering this proposal.
