Good morning

I would like to give my observations about the planning application for the childrens care home on hamlet road as I have concerns as a resident firstly the road is dangerous it is used as a rat run with cars which are constantly breaking the speed limit (not a road for young children) Point 2 The parking situation is awful and over populated where are all visitors going to park Point 3 What type of children are they do they have special needs behaviour problems etc Point 4 The road is getting more commercial dwellings we already have a house nearby which houses

[REDACTED] I am all for having childrens homes but in the right area which this is not Kind regards Mrs s symonds Sent from my iPhone
