Subject: DC/23/2040/FUL | Planning application, ED Response

Hi Clare,

Please find below the ED consultation response with regard to the below application:

Planning application reference: DC/23/2040/FUL
Proposal: Planning Application - change of use from Class E (c)(i) (professional services) to Class F.1(a) for the provision of education to part of the ground floor and part of the second floor | 30-38 High Street Haverhill Suffolk CB9 8AR
Location: 30-38 High Street Haverhill Suffolk CB9 8AR

Comments:

Thank you for consulting Economic Development & Business Growth. It would be appreciated if the following matters were taken into account when considering this application:

1. Economic Development seeks to protect existing employment land within the district, and we would not generally be supportive of a loss of employment land. However we recognise that the development of a skills centre within Haverhill town centre could be very beneficial for the local community and ultimately contribute positively to a local, skilled workforce.

Thank you
Clare
