Haverhill Mosque Boundary Fence  
Planning Amendment

Application no:  
DC/23/1354/FUL

---

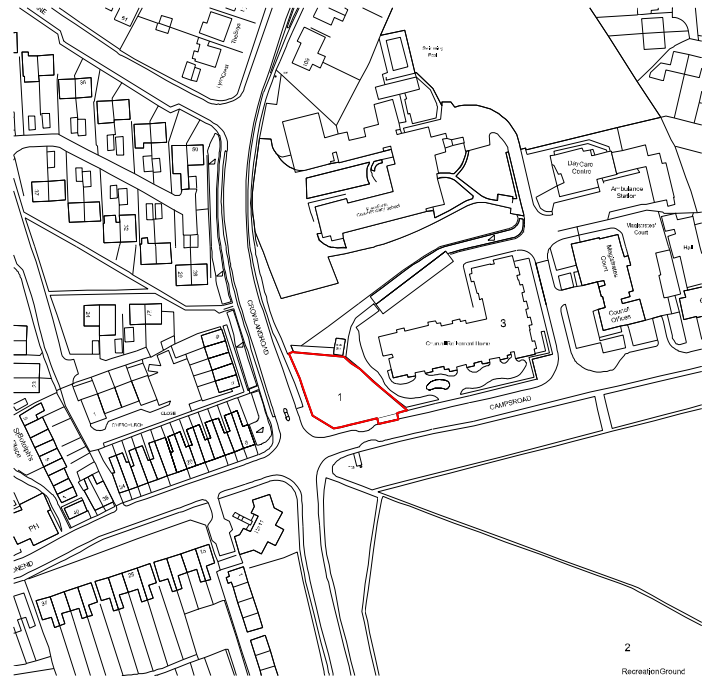

## Summary

The Haverhill Mosque and community centre has been [REDACTED]

As a result [REDACTED] has highly recommended to fence around the boundary of the site.

Application for 0.8m metal fence above existing wall has been approved in recent application. After the recent [REDACTED]

approval of the application, both parties recommended that the fence height should increase adding additional 0.2m above approved scheme, making the overall fence height to 1.0m above the existing brick wall.

The school next door is a precedent for high boundary fence reaching to over 2.5m fence height that is sitting above 1.0m+ green mount.
