Subject: RE: Re-Consultation on Application Number 23/01994/FUL, The Woodlands Hotel

Good Morning,

Thank you for the below consultation, we have reviewed the drainage strategy that has been submitted and unfortunately the document does not confirm how the foul sewage will be treated and therefore we would still look to object to this application.

Please can you request a drainage strategy that has the end treatment process included, if we do not receive this information or hear back from you within 10 working days, we will look to issue a formal objection.

Kind regards,

Natalie Kermath
