- Parking issues
- Traffic or Highways

Comment: I would like to object to this property being used as a children's home on the grounds of inadequate parking arrangements, having looked at the plans, it shows a very unrealistic view of 4 parking spaces! In my opinion I would say 2 spaces is much more realistic, the third space would be very awkward to get in and out of and the 4th space blocks in the other 3! This will lead to more cars parked on what is an already busy road.

I would also like to say that 2 children's homes within 100 yards of each other on a residential road in a characterful old part of Haverhill is just too much for the present residents to have to accept

There will likely be more noise from not only 4 but 8 teenagers living so closely together

Please accept this as my objection and please do not allow 2 children's homes so close together on our road

Thank you
