Subject: MAO - DC/24/0123/FUL - 40 Hamlet Road Haverhill

Dear Sir
I would like to object to this application on the grounds that this is the second site in hamlet road which is quite close to No26. Hamlet road has normally got a lot of parked vehicles on it which makes exiting Elmhurst Close quite difficult and this would only add to the congestion. Also visitors to the homes would have problems parking in Hamlet road and could try parking in Elmhurst Close which has it's own problems with cars etc due to its own residents plus people parking from Meeting Walk. Plus the children themselves could cause problems walking through Elmhurst on the way to shops and sports facilities. As I live in the close I feel this application would make matters worse.

Thank you
H Robson
