Kind Regards.

Subject: Hamlet Road.

I am most concerned about the application for 26 Hamlet Road in the process of being converted into a children's care home.

We already Heazeworth House, which is a temporary shelter for the homeless, and also number 40 Hamlet Road, also converted into a commercial property.

It is such a shame as Hamlet Road is in the old part of town and some of the houses, like mine, are in a conservation area.

I also wonder whether the neighbours have been considered? as there is also a children's home at number 40 and I would think their concerns should be taken into consideration. I also think one home would be ample, why do they need another one just a few doors away? I also wonder if it is safe for children as it is on a main, busy road.

Have Area Camden contacted the relevant local bodies and services and considered their view?

I would be grateful for your comments on the above.

Many thanks.

(Mrs) M. Rawson.
