Subject: HR - Application No DC/24/0123/FUL

[REDACTED]

To Case Office

amended application for 26 Hamlet Road

In my opinion this does not alleviate the overall parking situation.

This will increase the parking in Hamlet road which is now at a premium .

This rear parking will also add to the congestion at the junction with Elmhurst Close - Hamlet Road-
Hamlet Croft.

Also this is only a short distance from the similar residence which has been approved.

Will the residents from the homes be supervised when off the premises?

Thank you

H Robson

46 Elmhurst Close

Haverhill
