Comment:

I am opposed to this change of planning application, it will not change the situation, re the change in how the cars are parked.

Four places, means four staff, that still leaves no parking for other visitors to the site.

That means they will have to park, on nearby estate roads, and Hamlet Road causing more congestion.

Another concern is that, I will not be able to enjoy and sit in my garden, due to noise and pollution.

I made a complaint about the present owner of the property, to the council in February 2019 about the constant revving of a car engine, which could be heard in my property, even with windows and doors closed, watching television, even when in the shower.

This was just one car.

Also the bike shed, does that cover motor bikes, being started, revved, ridden away at all hours.

Also the bike shed being lit at night, causing light pollution, shining into my property.
