Stance: Customer objects to the Planning Application

Comment Reasons:

- Noise
- Parking issues
- Residential Amenity
- Traffic or Highways

Comment: Following on from my previous comments, I have reviewed the proposed parking plan and the only benefit from this proposed change is relieving one vehicle of being blocked in by another vehicle. This will not change the congestion to our private access road, that is not for use by commercial business as far as i am aware.

And with one less parking space allocated will mean more parking on Hamlet Road and this will cause more congestion. This is not a suitable area for another commercial business.
