Comment: We fully support the tree works and Living with the unmanaged trees for 20 Years has caused lack of light, significant distress and lack of use of the garden.

Safety issues around ash die back and children and pets, who could be injured in neighbouring gardens and our own has been upsetting.

Lack of tree management has gone on for over 20 years and must be addressed with this order being approved.

Roots are now visible in the lawn and gardens

Overgrown Ivy, height need significant reduction

We fully support the order and works that Abbey homes must undertake
