Comment: Dear Sir

I refer to your map showing the removal of the woodland backing onto the green at the rear of my property

It indicates that you intend to remove 1660m² of woodland to allow for a pathway access from the estate to the Green. This compares with a mere 1350m² you are allowing for the road access to the Chalkstone estate. I believe it would be a catastrophe to remove more trees than is absolutely necessary not only for the overall appearance but also for the damage to wild life it would do, and I thought that that was as important to the council as anything else

Yours most sincerely

Graham Ferris
