Subject: F.A.O. CHRIS RAND - DC/15/2151/OUT - Great Wilsey Park Wilsey Road Little Wratting Suffolk

Dear Chris,

RE: DC/15/2151/OUT - Great Wilsey Park Wilsey Road Little Wratting Suffolk

Outline Application (Means of Access to be considered) - Residential development of up to 2,500 units (within use classes C2/C3); two primary schools; two local centres including retail, community and employment uses (with use classes A1/A2/A3/A4/A5, B1 and D1/D2; open space; landscaping and associated infrastructure

Thank you for consulting SCCAS on the above application. I am writing to you at this time to inform you that I will be commenting on the archaeological implications of the proposed development. The documents submitted with the application do not provide sufficient information on the impact on the historic environment to determine the application. However, there is currently an archaeological evaluation of the proposed development site underway, commissioned by the applicant. Once this work is completed and reported upon, I will provide a formal response.

Kind regards, Kate
