Subject: Wilsey Park development Residents Opposed

Dear Planning St Edmundsbury Council firstly I find this tactical that we residents on the Chalkstone estate who will be badly effected with the proposed Great Wilsey Park plans for 2,500 new homes.views are now asked for within days of dead line in completely out of order when most people including myself have tried to convey concerns in the past but failed to be heard.We my husband and I feel this is wholly inappropriate developement .firstly 2,500 homes could potentially bring 10,000 new residents and Haverhill can not cope now infrastructure, healthcare ,town centre employment,transport,I haven't time to list how this plus another proposed build in Haverhill of 1,500 homes will destroy this town that is struggling with these issues.

We live on Millsfield way on the chalkstone estate.it was mentioned in the out line that facilities found on chalkstone estate such as shop fast food easy access from new site.

That would mean a potential of 5,000 vehicles travelling on roads Millsfields way and chalkstone way.nightmare our home is already suffering damage from traffic vibration and we suffer problems with noise .buses start at 05.16 and continues through to 00.35 gone midnight we suffer broken sleep the speed bumps don't slow buses and the speed bumps close to our house add to noise and vibration. Also the traffic congestion in Haverhill is becoming worse .

Haverhill has suffered closure of a fantasic health facility the crown centre with thousands of new residents our now poor doctor surgeries over crowed are buckling and cannot cope with the population now and no signs of this improving any time soon.we have to travel over an hour by bus to hospital's. Employment we have lost jobs with more to come as Sonofi reduce 45 posts and will be making more redundant in 2016 .the jobs to be created by this new build will a be a few mostly part time for child care .

I have conveyed my concerns fully in the past and spoken to others who also agree it is a depressing worry that St Edmundsbury council seem to only want to meet government proposals for more new homes but it is far too many 200 maybe yours sincerely

Mr Mrs C Abbott 66,Ickleton Place,Haverhill,CB9 0AS
