Dear Sir/ Madam,

I am writing to oppose the proposed Great Wilsey Park development. Haverhill in its present state cannot support such a large development, the lack of facilities, doctors, dentists, Road structures and schools. With this development we could see Haverhill's population grow by more than 5000 people which is not sustainable. The A1307 would have to be upgraded long before such a project could be even thought of as we see each working day the traffic jams between Linton and Cambridge.

Regards,

John Edwards, 12 Tasman Road, Haverhill
