Mr Jones and Mrs Edwards

Goudhurst Wratting Road

Haverhill

CB9 0DE

Our concerns re: The proposed Great Wilsey Park Development.

Public Services.....particularly Medical Care. An appointment at our local practices are impossible, a 2 to 3 week wait is the norm! Schools.....are they able to cope with this increase

1. Traffic through Haverhill would increase to an unbearable level . If this proposal is to go ahead then we feel the link road from the A1307 needs to be constructed well before any housing commences . The construction vehicles travelling through Haverhill for this mammoth build would be unacceptable.
2. The Haverhill commute to Cambridge will also be greatly affected.....with the increase of 2500 ++++ extra residents likely to be travelling on this already congested road. Particularly movement through Linton, which is already a huge problem.

These are just a few of the problems / concerns that will affect us all and some reassuring answers would be appreciated.

From one of many concerned residents on Wrattig Road.
