F.A.O. Planning Department
St Edmundsbury Borough Council

Dear Sirs,

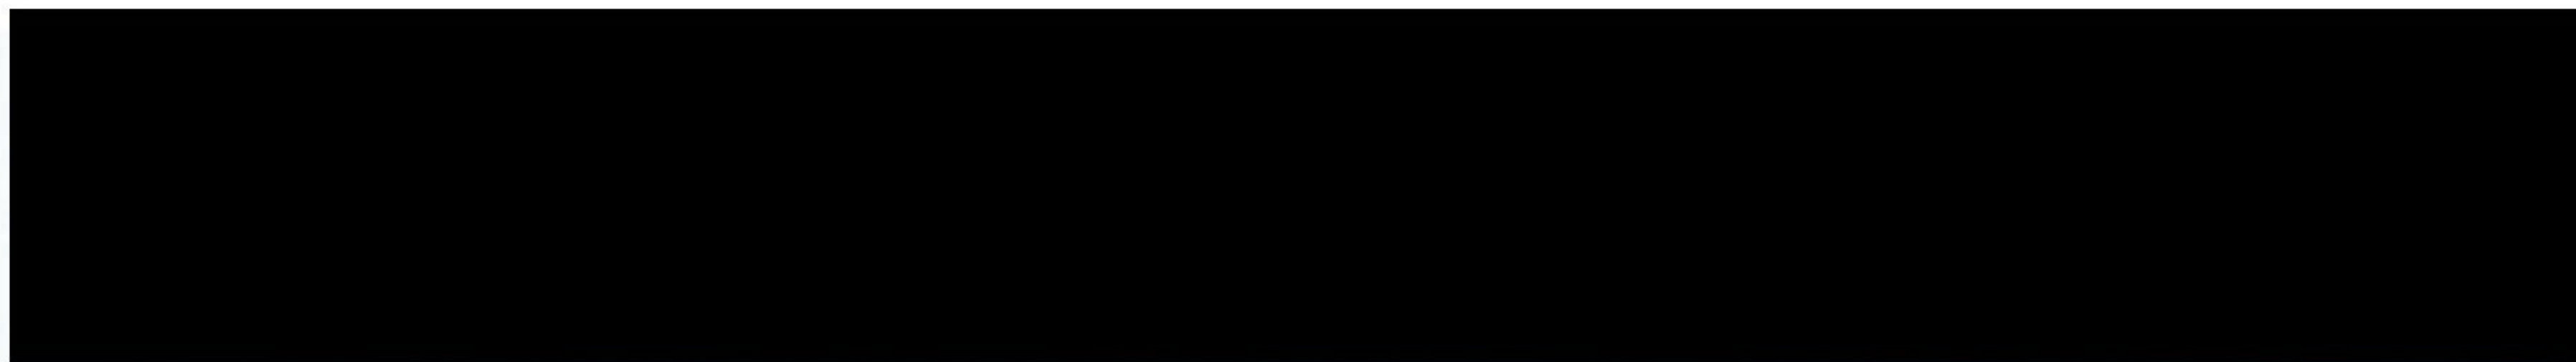

RE: DC/15/2151/OUT Haverhill North East Development / Final Comments

We write with our final planning comments (attached) prior to the determination deadline.

We understand this application is going to be going to be considered at Development Control Committee, so therefore wish to both register our request for a slot for our 3 minutes speech and, since the protocol does not allow for any such verbal representations to be recorded on the planning file, we wish this to be recorded in advance as a written submission.

We look forward to your confirmation of our requests.

Regards

Kedington Action Group
