Subject: Great Wilsey Park application/ revised traffic proposal

Sir,

I am amazed that you give credence to a hare-brained scheme to clog a traffic-calmed residential road with first builders' traffic, then new residents.

The suggested roundabout is next to a school entrance on the already busy Chalkstone Way. Admittedly the scheme avoids the town centre but will still clog Withersfield Road and Wrattling Road for a start.

Why cannot the Ann Suckling Road "town bypass" scheme be completed and so relieve the entire town of a potential nightmare of traffic?
