Comment Reasons:

- Traffic or Highways

Comment:With reference to the car park and entrance to the park area off Coupals rd.

This road and the surrounding roads cannot carry any more traffic.

It is not necessary to have a car park here, as this 'green belt' is just meant to be a buffer to enable Calford Green to stay as an individual settlement.

People wishing to drive to a park have plenty of other car parks and areas within a half mile zone.

The roads surrounding cannot sustain any further traffic. There are single car width in many areas, bad surface due to the wet ground and soil type.

Roads around Calford Green are already too busy for the size of road and dangerous.
