Dear Penny,

Thank you for consulting Sport England on the above application.

The site is not considered to form part of, or constitute a playing field as defined in The Town and Country Planning (Development Management Procedure) (England) Order 2015 (Statutory Instrument 2015 No.595), therefore Sport England has considered this a non-statutory consultation.

Sport England has no additional comments to add to our representations dated 14 May 2019, when we objected to the application given the lack of information on formal sports provision.

We would be grateful if you would advise us of the outcome of the application by sending a copy of the decision notice. If you would like any further information or advice please contact me at the address below.

Yours sincerely,

Philip Raiswell
Planning Manager
