

POST ROOM
27 DEC 2017
WEST SUFFOLK HOUSE

18 Old Elements Lane

Haverhill

CB9 8JR

19.12.17

Dear Mr Foster,

Many thanks
for conversation we had on
11th Dec with regards to the
development at 18 Old Elements Lane
Application no D2/17/2269/FOL
After viewing plan on line,
this is an totally unacceptable
development.

1. To many houses on the
site without adequate parking
for four Bedroom houses.

2. Orchard close residents
will be completely over looked

as their properties are bungalows

3. Elements have parking at present is a nightmare as people living there have great difficulty parking outside their properties.

Residents from Recreation road cannot park outside their houses so therefore

they park on the road at elements have making parking at times of the day very difficult. You must remember use Park 2

parking spaces when the 2 new dwellings that you passed when built

Yours Sincerely
