Comment: I have been notified by yourselves about some revised plans being published for the above application.

My objection still stands and clarity is still needed regarding my 89 year old Mother's property (Mrs Margaret Morgan-Owen) who is the homeowner and resident of 1 Orchard Close, Haverhill, Suffolk CB9 8JT whose property backs on to the proposed development of the site.

The proposed principle of the development seems to be fairly sound, although proposed tandem parking indicates potential overdevelopment of the site.

The main concern my Mother and I have is that the proposal has indicated landscaping to the rear boundaries on the plans but provided no details.

I would like to ask for this to be conditioned as part of the approval (if it is to be granted).

There is existing significant landscaping both on my Mother's rear garden boundary and of the proposed site boundary to my Mothers, this needs to be kept intact to preserve privacy, overlooking, overshadowing, overbearing impact and neighbouring amenity.

Thanking you for your time,

Kind regards

Tudor F Morgan-Owen
