Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: this application was first refused by Suffolk council and allowed on appeal it was then a small development of two semi det two-bedroom houses with parking spaces for two cars with concerns over access to small lane !!. Now it seems it is three-bedroom properties with the garage which will mean larger family occupancy and no doubt more vehicles in and out of the small entrance please consider this when making your decision.
