Subject: Application no:DC/20/0559/VAR

[THIS IS AN EXTERNAL EMAIL]

Regarding the above this application was originally refused in its present format, highways being opposed at more traffic using this narrow lane In spite of this the refusal was overturned The applicant is now requesting for this to be a larger property, which would no doubt lead to larger occupancy and thereby increased traffic

I therefore request that this building project should remain in its present form If Mr Oakley wished to build two three bedrooms properties that should have been his original application
