[THIS IS AN EXTERNAL EMAIL]

Hi Penny

Thank you very much for spending time with me discussing the proposed dementia unit in Little Wratting. As agreed in our conversation I have prepared some questions I would like you to present to the developer.

- Staff accommodation is mentioned but would it be possible to know more about what scale this is proposed to be and for how many staff?
- Who will be using the treatment/counselling rooms?
- What are the proposed protocols with regards to primary care assistance and/or acute assistance should patients require treatment?
- Who in the CCG has been consulted with?
- Who in “local doctors groups” have been consulted and what local doctors group, was it a Primary Care Network (PCN)?
- Has the local mental health trust been consulted, if so who in Norfolk & Suffolk Foundation Trust was consulted?

Regards

**4 PRE-APPLICATION ENGAGEMENT**

- 4.1 At paragraph 39 of the National Planning Policy Framework, it is acknowledged that early engagement has significant potential to improve the efficiency and effectiveness of the planning application process for all parties involved.
- 4.2 CARE has engaged extensively with various stakeholders over the past 18 months (including local dementia groups and charities, local clinical commissioning groups, local doctors' groups, Suffolk County Council, local members and MPs). All responses have been positive and supportive of the chosen location (as well as the proposals more generally).
