Subject: RE: Re-consultation - DC/19/1010/RM - Land Adj. Haverhill Business Park, Bumpstead Road, Haverhill

Hi Kerri

Thanks ,my further comments, while welcoming the bringing forward of this development and the jobs that it will bring

My Previous comments still stand , the orientation of the Buildings should be as they were originally planned, this would help alleviate for any potential noise and pollution issues

I welcome the addition of the small footpath but am extremely concerned about the lack of a safe pedestrian/cycle access to this site from Haverhill, this does not seem to help also with the sites sustainability

Best regards Tony Brown
