[THIS IS AN EXTERNAL EMAIL]

Dear Ms Cooper

On looking at the revised drawings in the above application I cannot find any mention of the dimensions of the proposed new building on plot 1 which is, of course, significantly larger than what was originally approved. This plan seems to use a different scale from that on the original layout plans and on looking at the artists impression of the street view unit 1 would seem to far exceed the height of the tree line on the west of the site, facing Bumpstead Road.

In light of lack of information I would advise you that I have asked Cllr Tony Brown to call the application in.

I look forward to hearing from you.

Yours sincerely

Sue Roach (Mrs)
