Dear Carol,

Thank you for your consultation dated 7th June 2022.

To ensure the proposed totem sign would be clear of highway, please can you ask the applicant to colour the extent of highway on the planning application drawings as sourced from <https://www.essexhighways.org/transport-and-roads/highway-schemes-and-developments/adoptions-and-land/highway-status-enquiries.aspx> (any problems with online payment/filling in the form the applicant should email highway.status@essexhighways.org who process the requests).

Where there is a roadside ditch or pond, that ditch or pond (even if it has been piped or infilled) would not in the majority of circumstances form part of the highway.

Often, roadside ditches, which are apparent on the ground are not indicated on the Ordnance Survey Mapping.

The same applies to historic ditches.

Therefore, please ask the applicant to ensure any ditches (including historical) and ponds are also marked on the planning application drawings.

The results of the extent of highway search should also be provided.

Thanks again & best wishes.

Martin
