Stance: Customer made comments in support of the Planning Application Comment Reasons:

Comment: I believe that this Proposed McDonald's is exactly what most people in Haverhill want, when the news of a McDonald's being proposed for Haverhill was announced to the public it received so much positive feedback from the public on Facebook and the proposal seems to be very well designed and it an ideal location as it is out of the main town and located next to Travelodge so Visitors will also be able to enjoy it with a access path that is also proposed from Phoenix Road. This proposal will also add the benefit for more jobs for the local area as the last big names to come to the town where retailer Home Bargains and Lidl nearly 5 years ago, I personally think this will be a big boost for Haverhill and the surrounding areas and it's great see another large Name wanting to invest into the town, with Haverhill rapidly growing with Large Housing developments By Redrow and Persimmon homes in the town, Haverhill will need Things like McDonalds for the employment aspect as currently jobs are always very limited in Haverhill but this won't only be jobs at McDonald's but also for Deliveroo and Uber eats etc. Hopefully This will also lead to other big names wanting to invest into the towns future.
