Subject: Haverhill Relief Road - Phase 1A only - part of DCON D

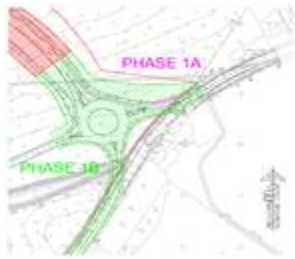

Dear Penny

I have looked at the details relating to Phase 1A (below in pink for clarity) and am satisfied that the following can be discharged for that phase of the works only:

A4 (Arboricultural Method Statement), - plan JBA 17-364 TPP06 Rev C and JBA 17/364 AR01 Rev C

A5 (Soft landscaping), - no plan relevant here as the works relate only to a small section of verge

A6 (Landscape and ecological management plan) – REF JBA 17/364 Revision F - March 2018

The location of the compound is on plan COM.01 B and this is acceptable in relation to the relief road compound only.

Jaki
