Please could these plans be uploaded to DCON(H)/09/1283. The agent forgot to put them in the submission.
These relate to condition A5, soft landscaping.

I also think the LEMP plans are missing from their submission pack as the covering letter lists some plans which I cannot find on IDox.

I have listed them below. I would be grateful if you could check just to see if they were submitted but not uploaded.

Condition A6 - LEMP

- JBA 18_351 ECO01 Haverhill Phases 2-6 PEA
- JBA_18-351_ECO07_Haverhill Phases (2-6) and Relief Road Ecological Constraints Plan 2019
- JBA_18-351_Wintering Bird Survey Report, Haverhill, Phases 2-6 and Relief Road
- JBA18-351_17-364 ECO05 Haverhill Breeding Bird Survey Report 2019

Thanks,

Penny

Hi Penny,

Further to my email below, I have just realised that I didn't include the strategic green infrastructure with this application. Please see the attached plans, can these please be included in the submission.

Hi Penny,

Hope all is well.

I made the Haverhill relief road discharge of conditions application yesterday on the planning portal. Please see the link below with all of the relevant files in. If you need any more information please do not hesitate to contact me.

With regards to condition A6 we have included the LEMP that was submitted previously as well as additional information, please can you let me know if this is sufficient. I also have the CEMP but was going to submit this with the construction condition when I have the details ready to submit.
