FAO Penny Mills

Application to Discharge Conditions A2 (Alignment), A4 (Arboricultural Method Statement), A5 (Soft Landscaping) , A6 (Landscape and Ecological Management Plan), A8 (Archaeology) and A9 (Excavation and Ground Levels) of SE/09/1283. Land Nw Of Haverhill Anne Sucklings Lane Little Wrattling Suffolk

SCC Flood and Water Management have no conditions related to this application however we are indirectly involved with SCC Highways in agreeing the sustainable drainage system for the relief road. Discussions are still ongoing with Persimmon and thus we currently would not recommend the approval of Condition A2 and A5 until designs and landscaping have been agreed in principle.

Please see attached comments related to issues with current submission.

Kind Regards

Steven Halls
