Comments by Haverhill Town Council's Planning Committee, 22<sup>nd</sup> January 2019

*The Town Council **STRONGLY SUPPORT** this application.*

*It was noted that the proposal states the hedge is to be maintained for 3 years, the Town Council requested a condition be set that pro-active maintenance of the new hedge be maintained for 5 years. In addition, the Council did not understand the Flood management objections as this is replacing a previous hedge on the same line, so a hedge would have been there anyway'*

Kindest regards
