Comment Details

Commenter Type: Town Council

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

- Parking issues
- Traffic or Highways

Comment: On the indicative drawings, it was noted that a school bus drop off area had been designed into the application. The Town Council request that provision should also be made for a car drop off area, this would alleviate parking on the public highway and in residential areas, minimising disruption at school drop off / pick up times. The Town Council also request that Suffolk Highways are asked to place a 20mph zone on the highway in the vicinity of the school.
