Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: It is still very difficult to follow the extremely large number of drawings placed on the application. As far as I can see nothing has changed. The location of the flats and the roadways systems appear to be the same. Therefore my previous comments, which conveniently seem to have been removed from this site, still stand. I still have a copy of those comments if you somehow can't find them.
