Subject: ANN SUCKLING ROAD HAVERHILL CHANGE OF USE

[THIS IS AN EXTERNAL EMAIL]

Dear Penelope

I am writing to you asking you to register our complaint about the proposed use of linking up Ann Suckling Way to Howe Road around the current development by Persimmon.

I do not believe this was on the original plan and the residents of Ann Suckling Estate have not been consulted.

It is already very dangerous with all the parked cars just inside Ann Suckling Way from Wratting Road and this problem alone is an accident waiting to happen.

Linking Ann Suckling Way will only make this more of a high risk road safety area and I would like Access to Howe Road to be from the Bypass as in the original plan which is yet to be built.

Please let me know your or the council's response.

Kind regards

Paul and Elaine Hewes
