

## Petition from Boyton Hall, Haverhill - Residents

We, the undersigned residents of Boyton Hall Estate, Haverhill object most strongly to the idea of opening up Ann Sucklings Road to through traffic and would like to add our objections to planning application DC/20/0614/RM.

The reasons for this have already been stated in previous objections but they are mainly; the increase in traffic flow meaning extra noise, pollution and congestion, especially at the Wratting Road Junction.
