Comment Reasons:

- Parking issues
- Traffic or Highways

Comment: I have serious concerns about the safety of opening Anne Suckling Road, before the Northern Relief Road is opened. The entrance to the road is already a risk as there are always parked vehicles and when you are coming towards the new build houses, you cannot see cars sweeping round the corner into Anne Suckling in the middle of the road, to pass the parked cars. This has already got worse following the building of the houses so close to the road.
