[THIS IS AN EXTERNAL EMAIL]

25th February 2021

For the attention of Penny Mills

I wish to inform you of my concern regarding the erection of new housing, known as phase 2b. , to the north of Anne Suckling Road, Haverhill ,

I appreciate the need to provide dwelling for the increasing population but feel that due to the number of houses being erected it is going to resemble a concrete jungle.

Also I am concerned that the foundations of these houses will effect the drainage of water into the soil and cause a risk of flooding to the existing properties in Boyton Hall Estate.

Mr Neil Jacobs
24 Falklands Road
Haverhill
