- Residential Amenity
- Traffic or Highways

Comment: We wish to voice our concerns over Phase 2B. Primarily the additional traffic and parking on Ann Suckling Road which will be generated by the new builds, and the threat that Ann Suckling will link to Howe Road creating a rat run and a danger to the lives of my 3 cats who cross the road to the head into the fields. We are also concerned that Boyton Hall will see an increase in flooding as was seen on Wratting Road during the build of Phase 1. In addition Haverhill currently does not have sufficient amenities to cope with demand at present so how on earth will it support hundreds of new houses?
