

Dear Sir/Madam

I refer to the fore mentioned application to which I emailed objections on 24th February 2021, I would like clarity as to;

1. As the planning application been approved.
2. Whether the field extending past the original/existing residential buildings along Ann Suckling ROAD towards the bottom of Falklands Road constitutes Phase 1 of Persimmon Homes development or not. As you see from the attached picture building, and scaffolding are appearing beyond this point.

Regards

Tony Woodward
