Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

- Noise
- Parking issues

Comment: i work at boots opticians and we have parking out the back also we also have Permission to drive over the land get to our parking to this needs to be clear at all times also there is people living in the flats above us and they still need access and not only that the building work would course disruption to the business during working hours as some of our patents cant walk that fair and use the public car park and foot path to access the shop
