Dear sir/Madam

I am writing to you to show our concerns with the planning application next to 54 crowland road .

We object to another dwelling taken place as the biggest factor is parking situation on the road it's at full capacity made worse of the new builds at the corner of downs crescent ,they already park all along and down the side of downs crescent and even park on the grass which is unacceptable.

I have already put a complaint in when place farm school turn out or taking their children to school .

They park either side of the road making it a one way system and the other week I nearly had a head on when a idiot came racing up crowland road making me reverse all the way up and when there are small children around is quite dangerous in my eyes .

One more point we already have an eyesore of a building a couple of doors up where they have started to put a dwelling on ,still not finished and once again will create a parking problem once finished.

So we strongly disagree with this application.

Regards

Sue lovell

87 downs crescent
