Follow Up Flag: Follow up
Flag Status: Flagged

Hi Amey,

Looking at this application, previous comments were made that the removal of T1 were supported subject to conditions: - Tree Protection Plan (TPP) to protect retained specimens, G1 G2 and G3.

However, No TPP has been provided.

Please can you advise, or request this as a condition.

Yours Sincerely

George Bayford FdSc (Arb), DipArb L4 (ABC), TechArborA
