Comment: This plan was approved subject to no fence. Putting a fence up spoils the views more than what has already been created outside our property. It's a storage unit not a prison . The palms

Have not been adhered to throughout the build. I feel like there is no consideration for neighbours and proposed rules of the build have been broken. The fence will also restrict view of the cars coming from Holland road when coming down Duddery hill . Currently with the small yellow bollards and no restrictions you can see traffic a lot clearer. If security is an issue then cameras can help solve this not a large fence. The am more than happy for someone to contact me about all the issues been provided to neighbours already . I feel the build has taken advantage and moved goalposts at every hurdle
