Comment Reasons:

Comment: Dear Sir

Please regard this letter as support and in favour of the proposed SEND School at Sturmer Hall.

The proposed plans are sympathetic to the existing entrance driveway, church and original house and the new building is located a sufficient distance so as not to affect the aspect of this historic site.

There is a shortage of such facilities in the area. Many people would benefit from the provision of the special educational needs of the children in an environment in which they will be stimulated by their historic surroundings.

The application should be given permission.

Yours sincerely

Hermione Bryant
