Comment Reasons:

Comment: I have been associated with Sturmer Hall for many years and feel it would be ideal for a SEND school due to its location and tranquil surroundings excellent for the education of its Pupils. I believe British Heritige have some concerns regarding an old Mill under the lake I see no reason that this would be disturbed and I dont think they have been anywhere near in my time to inspect what may or no be under the water.

Many of my friends have found it difficult to place Family members in such a school this would not only greatly help the Family members but relieve stress all round. Please pass this application.

Regards Richard Stock.
